

Biography

About Lawrence

Media & Speaking Bio

Complementary therapist expert, speaker, author and CEO Lawrence Ellyard has made it his mission to elevate others. Doing so has seen him impact the lives of thousands of natural therapy practitioners and given IICT international recognition.

As well as holding a Masters of Transpersonal Studies (IKON Institute) and being a Minister in the Spirit of the Earth Medicine Society, Lawrence is Founder of IICT (the International Institute of Complementary Therapies). This unique organisation empowers natural therapy practitioners around the globe by providing certifications, cost-effective insurance and guidance as they develop a thriving, fulfilling complementary therapies business.
